**ANTIOCHIAN WOMEN'S (AW)
ONGOING PROJECT FOR
WIDOWED KHOURIAS**

The 2023-2024 AW project was devoted to "helping widows in their affliction" as they sought to establish an endowment fund to benefit our beloved widowed clergy-wives. The initial goal of \$150,000 was surpassed by generous donations, including from this parish, and they raised \$395,712! Metropolitan Saba has given his blessing for the AW to **continue through 2026 to raise funds for this endowment** to reach a goal of \$1,000,000. Though that seems large, it will form the principal and will not be touched. Just the yearly dividends will be used to grant financial support. Divided among our widowed Khourias, the money will only provide a modest gift. The larger the endowment, the more there will be to substantially contribute to the care of our widowed Khourias.

YOUTH & SEMINARIAN MONTH

We especially remember the youth and our seminarians in October. It is to bring awareness to pastoral and theological training. Our archdiocese has 25 students currently enrolled in three seminaries in the U.S. Donations we collect in the month of October go to support these students studying for the ministry. We are facing a shortage of clergy in coming years. With our financial support, more pastoral candidates will be able to prepare for the ministry in the Vineyard of our Savior. When you donate, please indicate "seminarians" on your check or cash-containing envelope.
