Hello Ladies-

Happy first day of Fall! We know it's been a while since we have reached out to you. It seems like many of us are getting back on our feet and the recent fire evacuations and slowly adjusting to the new season of life with all it's struggles and blessings. We hope to have more information out to you soon about an upcoming meeting or social gathering, but in the meantime here are some things happening in our Diocese of LA and the West. If you have ideas for the women's group please send them our way. 😊

The Sowing Bee - Planting seeds of Wisdom, Hope & Love! TONIGHT, September 22nd 7-8:15pm. This month, our speaker is Kh Heather Sommer, a gifted iconographer, will speak to us & answer questions about iconography, being an iconographer, the process, the meanings and more. You don't have to have a Facebook account to watch the virtual talk. See the attached flyer.

### \*\*\*VIRTUAL FALL GATHERING\*\*\*

Due to the current covid circumstances, we will be holding a Virtual Fall Gathering -- Saturday, October 10th -- exact meeting times to be announced.

St Matthew in Torrance, CA were all set to be our hosts for the weekend.

In spite of the circumstances - they are striving to provide an opportunity for our Diocese to gather together. Our day will begin with a message from our beloved Sayidna JOSEPH & then our organization meetings

We encourage each parish/mission to have at least one representative participate on behalf of your parish. Full information to follow!
